

PRIME MINISTER • PREMIER MINISTRE

I would like to convey my warmest greetings to everyone taking part in the 15th annual Winnipeg Table Hockey League Challenge Cup.

This event brings together table hockey players for a chance to showcase their skills while raising funds for a worthy cause. I am certain that everyone in attendance will take satisfaction in knowing that they are supporting Manitoba Cancer Care and helping individuals and families who are affected by cancer.

I would like to thank the organizers and volunteers for their efforts to ensure that this tournament is a success. You can take pride in your commitment to fostering fellowship in the community.

I wish you all a memorable experience.

The Right Honourable Mark Carney, P.C., O.C., M.P.
Prime Minister of Canada
