The annual Winnipeg Table Hockey League Championship will move out the players' basements and into a casino for the first time this year.

The fourth annual WTHL Challenge Cup will be held at Club Regent Casino next Sunday, from 6-10 p.m., with all proceeds going to CancerCare Manitoba.

"We're hoping to raise at least \$1,000 for CancerCare," WTHL president Sal Capizzi said Sunday. "We never keep a penny for ourselves."

Yet, no admission will be charged for "the biggest tournament ever held here," Capizzi said.

The 24 enthusiasts who enter must pay a \$25 entry fee and the casino is giving the WTHL a break on the rent. Capizzi has signed up all sorts of sponsors and, due to regulatory laws, is holding a fundraising raffle away from casino property.

The WTHL celebrated his 20th anniversary two years ago.
